Transportation Agreement

* **Note** – If horse is traveling from a Brand Inspection State or area, a Brand Inspection is required as well.

- 3) Halter and Lead Rope (Required.)
- 4) Any equipment, such as hay nets or feed buckets must be prepped and ready at pick up. **(if applicable)**
- 5) Owner agrees that should their animal(s) suffer from a self inflicted injury while in the care of the transporter the owner will not hold the transporter responsible in any way. In the event the animal(s) are in need of veterinarian services, the transporter will immediately notify the owner. In the event the owner can not be reached, the transporter is hereby authorized, as an agent for the owner, to contact the first available licensed veterinarian of his/her choice. ALL fees charged by said veterinarian shall be the sole and exclusive responsibility of the OWNER, with no liability whatsoever to The Benestar Ranch, or owners of The Benestar Ranch or driver for such fees.
- 6) Owner agrees that should their animal(s) become ill during the trip, The Benestar Ranch will follow the recommendations of the attending licensed veterinarian including, but not limited to, leaving the animal with the vet clinic. If the Vet's recommendation is that the animal should not travel, the driver will abide by the Vet's recommendations, regardless of the owner or responsible persons wishes that the animal continue to travel. Should the customer need to make further transportation arrangements, The Benestar Ranch will only charge for the miles traveled from pick-up to the vet clinic. Many locations are along regular routes we travel and most likely will be coming through the area again soon. We would be more than happy to accommodate further transportation for your animal(s) once cleared for transportation by the vet.
- 7) Each horse must be halter broke and trained to tie for the horse to go into a single slant. If the horse is not halter broke and trained to tie, the horse will require a boxstall, for safety. If a single slant has been reserved and the horse is not halter broke or trained to tie, at the time of our estimated arrival, the customer will be charged a boxstall rate, if there is one available. **If a boxstall is not available, a refund will not be issued. We will reschedule a pick up at another time, at an additional cost to the customer.**
- 8) Please plan ahead: Owner agrees that if the horse(s) are boarded at **The Benestar Ranch there w**ill be a charge of \$10.00/day PER HORSE if the owner supplies hay and a charge of \$20.00 per day PER HORSE if hauler has to supply hay.
- 9) Owner understands that under no circumstances do we allow anyone to follow our transportation vehicles, AKA caravanning during transport of their animal(s). Our drivers are professionals and are accustomed to making longer trips and fewer stops while maintaining a safe speed that may be lower than the posted speed limit. Drivers must be focused on the safety of the animal(s) and the equipment, not on maintaining pace with a caravanning vehicle.
- 10) Owner has the option to provide his/her own proof of current horse Mortality insurance. OR Owner elects not to carry their own additional Horse Mortality Insurance and assumes ALL risk to their animal(s) (to include, but not limited to, injury, death, illness, or disease).
- 11) In the event of non-payment, Transporter shall be entitled to a lien against the transported horse(s) for the value of the services rendered and shall be entitled to enforce said lien in accordance with the law.
- 12) Owner agrees to a \$150 Fee added for in-tact stallions over the age of 1 year **if undisclosed during booking.**
- 13) Other Possible Charges:
The rate quoted is for door to door delivery and care of your horse(s). However, surcharges may apply for any of the following:
